

H&I Rep Announcement

The Los Angeles Hospitals and Institutions committee takes panels to places where people cannot get out to an AA meeting such as jails, rehabs, and psych-wards. Your generous donations go to provide literature to the patients and inmates of these facilities and are greatly appreciated.

H&I is an excellent opportunity to be of service. If you would like to get involved, the committee meeting is on the second Monday of every month at the Veterans Memorial Complex at the corner of Culver and Overland in Culver City. Orientation is at 7:30pm and the actual meeting is from 8 to 9pm. This is where you can sign up to speak on panels or become a panel leader. We need your support and invite you to attend our monthly meeting and be a part of the committee.
